

PPP on issuing Biometric Passports and ID Card

Country visit

In order to allow interested companies to be better informed on the as-is situation, Government of Armenia decided to welcome visits from interested companies, should companies decide such visit is necessary and useful. Preferred week for visits is **June 12-16**, however, should interested companies like to visit on alternative dates, this is also possible.

In case your company would like to visit Armenia, please e-mail by 12 June, indicating your preferred day for a visit, names and contact details of your company representatives.
