

## REQUEST FOR PROPOSAL AMENDMENT NOTICE

January 8, 2025

### Introduction

On October 10, 2024, the publication of the Request for Proposal (“**RFP**”) marked the beginning of the RFP stage of the competitive selection process in accordance with Armenian law and international best practices (the “**Selection Procedure**”). As a result of the Selection Procedure, the Government of Armenia (hereinafter – “**GoA**”), represented by the Ministry of Internal Affairs (hereinafter – “**MIA**”) aims to enter a public–private partnership (“**PPP**”) agreement for the issuance and distribution of identity documents and operation and servicing of the ID facilities in the Republic of Armenia (“**PPP Project**”).

### Amendments to the Request for Proposal

Upon further evaluation of the feedback and clarification requests submitted by the Qualified Applicants since the publication of the RFP, the Evaluation Commission has approved an additional amendment of the Technical Requirements for the PPP Project.

Subsequently, the following parts of the RFP package shall be amended:

#### 1. Technical Requirements

- 2.4.2. Functional requirements for IDMIS

The following table provides a list of amendments to the Request for Proposal document package:

Clause	Description of amendments
Technical Requirements, Req. 288	The requirement is hereby amended and shall read as follows:  “The solution shall be sized to perform multimodal deduplication of 2 fingerprints and one face in a database that can hold up to [10] million records up to [6,000 requests] daily during business hours [8 hours].”

Please note that the Qualified Applicants shall submit their Bids no later than **18:00 (Yerevan Time)** on **Friday, February 7, 2025**.
